

DIMACS / DIMATIA / RU Math / IC-CAE **Research Experiences for Undergraduates**

U.S. Program: May 26 – July 24, 2020
Czech Program: July 17 – July 31, 2020

DIMACS - *Center for Discrete Mathematics and Theoretical Computer Science, Rutgers*
DIMATIA - *Center for Discrete Mathematics, Theoretical Computer Science, and Applications, Prague*
RU Math - *Rutgers Department of Mathematics*
IC-CAE – *Rutgers Intelligence Community Center for Academic Excellence*

Application Deadline: January 31, 2020

Research topics include:

- Computer Science
- Mathematics
- Data Science
- Bioinformatics
- Applications in Health & Physical Sciences
- Security Applications
- ...and more!

Students work at Rutgers University for 9 weeks, conducting original research under the direct supervision of faculty mentors. The program includes many additional activities, such as seminars, trips to industrial partners, culture day, movie nights, etc. A small number of REU participants continue their research for 2 weeks at DIMATIA, at Charles University in Prague, Czech Republic, where they participate in the Midsummer Combinatorial Workshop.

To apply and to find more details, please visit:

<http://reu.dimacs.rutgers.edu/>

The DIMACS REU is an NSF REU. Only U.S. citizens and permanent residents are eligible to apply. Students from under-represented groups and from institutions with limited opportunity for undergraduate research are especially encouraged to apply.
