

DIMACS REU

Research Experiences for Undergraduates

Come to Rutgers this summer to conduct original research
 in Computer Science and Mathematics!

May 27 – July 25, 2025

Application Deadline: January 31, 2025

In collaboration with the **Rutgers Math Department** and the
KAM Department in Charles University (Prague)

Get Paid to do Research:

- Computer Science Theory
- Algorithms
- Data Science
- Artificial Intelligence
- Graph Theory
- Discrete Mathematics
- Bioinformatics
- Applications in Health/Bio Sciences
- ...and more!

Undergraduate students work at Rutgers University for 9 weeks, conducting original research under the direct supervision of faculty mentors. The program includes many activities, such as seminars, trips to industrial partners, culture day, movie nights, and more. A small number of REU participants continue their research for 2 weeks at Charles University in Prague, Czech Republic.

***All students receive a weekly stipend of \$700/week and a meal allowance.
 Housing and travel are also covered by the program.***

To apply and to find more details, please visit:

*The DIMACS REU is an NSF REU. Only U.S. citizens and permanent residents are eligible to apply.
 Students from under-represented groups and from institutions with limited opportunity for
 undergraduate research are especially encouraged to apply.*
