- Security Applications
- ...and more!

Undergraduate students work at Rutgers University for 9 weeks, conducting original research under the direct supervision of faculty mentors. The program includes many activities, such as seminars, trips to industrial partners, culture day, movie nights, etc. A small number of REU participants continue their research for 2 weeks at Charles University in Prague, Czech Republic*.

To apply and to find more details, please visit:

*Due to the ongoing pandemic, foreign travel and in-person participation are subject to change.

The DIMACS REU is an NSF REU. Only U.S. citizens and permanent residents are eligible to apply.

Students from under-represented groups and from institutions with limited opportunity for undergraduate research are especially encouraged to apply.
